Re: United States v. Ida Sharifi-Nelson, 07 Cr. 326 (RWS)

Dear Judge Sweet:

I have been informed by Your Honor's courtroom deputy that the conference previously scheduled in this matter for September 18, 2007, has been re-scheduled for Monday, September 24, 2007, at 4:30 p.m. As the parties expect to continue their negotiations over a possible disposition of this matter during that period, the Government respectfully requests that the Court exclude the time between today and September 24, 2007, from any Speedy Trial Act calculations.

Respectfully submitted,

MICHAEL J. GARCIA
United States Attorney
